

## FINAL WORDS FOR SPIRITUAL BATTLE

1 Peter 5:8-14

History: A record of the conflict between God and Satan as revealed in God's dealings with man.

- I. Spiritual battles require that we identify the enemy and his intentions (8, 1 Corinthians 11:14-15, 1 John 2:15-17).
  
- II. Spiritual victory requires resolve, priorities, and proximity to Christ in order to stand (9, Ephesians 6:10-20, John 15:5).
  
- III. God graciously allows spiritual battles in our life to accomplish an eternal work in us for His glory (10-11, 2 Timothy 3:10-17).
  
- IV. God's grace is the only thing that enables us to stand (12-14, Hebrews 13:9, Romans 5:1-2).
