

Love one another – The Divine Imitation
Part 5 – Life Together (“one another” series)

Main point: Loving one another IS godliness (God-likeness).

- I. We must love one another like Jesus loved His disciples.

 - B. Loving one another identifies us as Jesus’ disciples (John 13:35).

- II. We must love one another like God loved us.
 - A. God is the source of all love (1 John 4:7-8).
 - Our love for one another reveals how well we know God.

 - B. God made His love visible TO us through the cross (1 John 4:9-10).

 - C. God wants us to experience His love flowing THROUGH us as we love one another (1 John 4:11-12)
 - God is invisible, but as we love one another we experience God’s abiding presence.
