God's Power in our Spiritual World

Acts 18:23-19:41

Main Point: God's Word and God's Spirit have power to spread the gospel and defeat Satan's lies and bondages.

- I. Apollos – God's Word changes lives when caring people teach the teachable (Acts 18:23-28)
 - Am I caring when I correct or teach?
 - Am I presumptuous about my gifts or willing to let the body of Christ better equip me?
- II. Spirit Baptism – The Holy Spirit indwells and empowers all believers (Acts 19:1-7).
 - Have I ignored the privilege and power of the Holy Spirit living in me?
- III. Teaching in hall of Tyrannus – God's Word can spread far when it is taught consistently to those who teach others (Acts 19:8-10).
 - Am I consistently hearing God's word and then multiplying it by teaching others?
- IV. Healing and Spiritual Deliverance – God has power to heal and deliver from Satan's bondages (Acts 19:11-20).
 - Do I recognize where I succumb to Satan's power and will I decisively deal with those sins?
- V. The goddess Artemis – God has power to restrain all who hate the gospel (Acts 19:21-41)
 - Do I understand that Satan seeks to amass people in every culture against the gospel?
